
New Elections to the Foundation Board

Term of office from 1 July 2022 – 30 June 2025

Election results Basle and Zurich

Glattbrugg, 6 May 2022

Dear eligible voter,

As communicated in our letter of 14 April 2022, no other persons have stood for election as employee representatives on the Board of Trustees for the Basle and Zurich districts in addition to the existing members Christian Goepfert (Basle) and Matthias Schmidli (Zurich). Therefore, Christian Goepfert and Matthias Schmidli were re-elected by silent ballot.

We congratulate both employee representatives on their re-election and look forward to work with them in the future. For the district of Geneva, an election will be held because several candidates came forward. We will inform you about the results at a later date.

Kind regards,

Personalvorsorge Swissport
