Dear eligible voter,

Following the three-year term of office, new elections for the employee representatives on the Board of Trustees of the Personalvorsorge Swissport were held as of 1st July 2022. We informed you about the elections in the letter dated 21 March 2022. One representative for each working location resp. election district Geneva, Zurich and Basle had to be elected. After the three-week period for submitting nominations at 11. April 2022, we are pleased to inform you about the results.

▪ **Basle and Zurich election districts**

The incumbent representatives, **Mr Christian Goepfert (Basle election district)** and **Mr Matthias Schmidli (Zurich election district)**, stood for re-election. As no other candidates announced themselves by 11. April 2022, the two current members of the Board of Trustees will be automatically re-elected. We would like to congratulate them and thank them for standing for another term of office.

▪ **Geneva election district**

The incumbent representative, Mr Ralf Mueller, has decided to leave Swissport. As a result, he will leave the Board of Trustees as of 30 June 2022. We thank Mr Ralf Mueller for his many years of valuable work on behalf of our pension scheme.

Georg Hassler (BGOS) and Charlotte Bruttomesso (HRBP) obtained the necessary number of valid signatures and announced themselves to serve as his successor. The Administrative Office has therefore determined that the signatures are correct and that they are sufficient in number. We would like to thank Mrs Bruttomesso and Mr Hassler for their interest.

As different candidates announced themselves, there's an open ballot. It will start 9. May 2022. More detailed information will follow.

Kind regards,
